

Wednesday, November 2, - 1895

LOCAL BRIEFS.

The star route between Ridgeway and Myrtle has been discontinued.
—Pawnee Bill's Wild West will exhibit in Winnsboro on Saturday, November 12, for one day only.
—Bishop Grant of the A. M. E. Church preached twice on Sunday at the Methodist Church to large congregations.
—May Lillie is a good rider and justly holds the title of the champion female horseback shot of the world.—Washington Post.

The officers of the 1st S. C. Regiment have decided to have a portrait of the late Col. Joseph K. Alston painted. This portrait will be presented to Mrs. Alston.
—Mr. R. E. Ellison has recently lost two fine cows. The cows had Texas fever, that terrible disease that has killed so many fine cows in town and throughout the county.

Monday evening was All-Halloween in Scotland and Ireland there are many superstitions connected with this day, and it is observed in various ways by the young people.
—Grand Master J. T. Barron will deliver a public lecture in the court house on Thursday night on masonry. The public generally as well as all Masons are cordially invited. After the lecture the M. M. degree will be conferred.

It was learned on Monday in Winnsboro that Contractor J. C. Huey has been instructed to proceed with the work of building the new passenger depot. It is presumed from this that the railroad commissioners have decided the matter.

An old man seventy-eight years old was arrested on Sunday evening upon a charge made by his wife that he had attempted to cut her throat. They are factory people, but have been boarding at C. A. Lucas'. He was up before Intendant Ocon on Monday, but was dismissed.
—In Tuesday's issue we stated that the land upon which the Methodistists are to build a chapel for the factory operatives had been bought from Mr. W. B. Creight. The land was not bought from Mr. Creight but was given by him to the Methodist Church. Before long a neat little chapel will be built.

Cards have been received announcing the approaching marriage of Mr. A. S. Gaillard, of Columbia, to Miss Mary Bellamy O'Neale, daughter of Mr. and Mrs. Richard O'Neale, of Columbia. The wedding will take place on Wednesday, November 9th, at three o'clock in the afternoon in the First Presbyterian Church.

The Charlotte Observer of Sunday, October 30th, stated that Mrs. T. R. Robertson of that city had been telegraphed to see her husband, Capt. T. R. Robertson, who was very sick in camp at Savannah. Mrs. Robertson left on Saturday night for Savannah to stay until Capt. Robertson is better. The many friends of Capt. Robertson in Winnsboro hope that he will soon be much better.

It is no exaggeration to say that Pawnee Bill's Historical Wild West and Grand Mexican Hippodrome, which exhibited in Buffalo yesterday, was decidedly the best performance given here for many years, without any exception. The performance was fully up to what they had promised, and gave universal satisfaction.—Buffalo, N. Y., Courier.

Mr. T. W. Lauderdale, of Winnsboro, is one of the visitors to the city for gala week. Mr. Lauderdale is president of the Fairfield Cotton Mills, which, due to his careful management, promise to be one of the most prosperous mills in the up-country. Mr. Lauderdale speaks encouragingly of the competition of the up-country, but says, of course, the low price of cotton reduces the amount of money in circulation to the minimum.—Charlotte Post.

The passenger depot question was up before the railroad commission on Thursday. Capt. H. A. Gaillard, E. B. Ragdale and T. H. Ketchum represented the petitioners in favor of the old depot, and W. D. Douglas as attorney for the petitioners in favor of the new depot. Messrs. W. C. Besty, U. G. DesPortes and Capt. C. S. Dwight were also present as spectators. The commission reserved its decision.

The Best Plaster.
A piece of flannel dampened with Chamberlain's Pain Balm and bound on to the affected parts is superior to any plaster. When troubled with a pain in the chest, side, or a lame back, give it a trial. You are certain to be more than pleased with the prompt relief which it affords. Pain Balm is also a certain cure for rheumatism. For sale by McMaster Co., druggists.

Grand Display of Hats and Bonnets and Millinery Novelties.
Having been in the business for over 30 years, I am certainly up in the business; besides having the assistance of a first class up-to-date milliner, Miss Schell, of Baltimore, in this department. Satisfaction guaranteed. Give us a call before you decide about your hat. Mrs. J. O. Boag.

Doctors Say:
Bilious and Intermittent Fevers which prevail in miasmatic districts are invariably accompanied by derangements of the Stomach Liver and Bowels. The liver is the great "driving wheel" in the mechanism of man, and when it is out of order, the whole system becomes deranged and disease is the result.

Tatt's Liver Pills
Cure all Liver Troubles.

ROYAL Baking Powder
Made from pure cream of tartar.
Safeguards the food against alum.
Alum baking powders are the greatest menaces to health of the present day.
MEETING OF CAMP RAINES.
There will be a meeting of Camp Raines in the Court House in Winnsboro on Monday, November 7th next, at 1 p. m., to take into consideration the subject matter of a circular received from General Walker, which will be read at the meeting, and also other matters of importance. Attention is also called to the fact that November 1st is the date set for payment to Adjutant Jno. J. Neil of contributions and subscriptions to the Monument to the Women of the Confederacy. A full meeting of the camp is requested.
R. H. Jennings, Commander.

Success—Worth Knowing.
40 years' success in the South, proves Hughes' Tonic a great remedy for Chills and all Malarial Fevers. Better than Quinine. Guaranteed, cry it. At Druggists. 50c. and \$1.00 bottles.

MILLINERY OPENING.
The ladies of the town and county who have not yet attended Mrs. J. D. McCarty's millinery opening should certainly call at once and see the beautiful display of hats. There are many beautiful pattern hats and bonnets, it is a very complete stock. The rooms are very tastefully decorated for the opening, and the goods are displayed to great advantage. One of the prettiest bonnets is of black velvet, with touches of American beauty velvet and handsome jet ornaments, and is exceedingly pretty and Frenchy. There is also a large line of dainty baby caps of every description. The hats are very stylish and Miss Nettie Stegreaves, the milliner, will be glad to show you all of these pretty things. Be sure and go to see them.

IMPORTANT TO MOTHERS.
The manufacturers of Castoria have been compelled to spend hundreds of thousands of dollars to familiarize the public with the signature of Chas. H. Fletcher. This has been necessitated by reason of pirates counterfeiting the Castoria trade-mark. This counterfeiting is a crime not only against the proprietors of Castoria, but against the growing generation. All persons should be careful to see that Castoria bears the signature of Chas. H. Fletcher, if they would guard the health of their children. Parents and mothers, in particular, ought to carefully examine the Castoria advertisements which have been appearing in this paper, and to remember that the wrapper of every bottle of genuine Castoria bears the fac-simile signature of Chas. H. Fletcher, under whose supervision it has been manufactured continuously for over thirty years.

MRS. T. C. CAMAK'S DEATH.
Mrs. Lou Camak, wife of T. C. Camak, died at her home in Fairfield County on Wednesday night, October 26, 1895, after an illness of several weeks with typhoid fever, which she endured with Christian patience and resignation. The messenger brought no terror to her, but found her prepared and awaiting the summons. She had given in her beautiful, consistent Christian life, as well as in her deathbed talks to her husband, children and friends, abundant assurance that she was ready.

She leaves her husband and seven children, besides a host of kindred and friends, to mourn her loss, which to her are sure to be eternal gain. Her remains were laid to rest in Bethel cemetery on Friday following the date of her death. The funeral services were conducted by Rev. Mr. Miller, the Methodist preacher in charge of Fairfield Circuit, and her pastor.

A Friend.
Yellow Jaundice Cured.
Suffering humanity should be supplied with every means possible for its relief. It is with pleasure we publish the following: "This is to certify that I was a terrible sufferer from Yellow Jaundice for over six months, and was treated by some of the best physicians in our city and all to no avail. Dr. Bell, our druggist, recommended Electric Bitters; and after taking two bottles, I was entirely cured. I now take great pleasure in recommending them to any person suffering from this terrible malady. I am gratefully yours, M. A. Hogarty, Lexington, Ky." Sold by McMaster Co., druggists.

COMING AND GOING.
Miss Nellie McMeekin was in town Wednesday.
Mr. John G. Mobley has returned from Columbia.
Miss Mamie Taylor is visiting relatives in Columbia.
Rev. T. D. Bratton, of Spartanburg, spent Friday in town.

Control General Derham was in town Tuesday on official business.
Miss Lily Hoffman, of Blythe-wood, is visiting her sister Mrs. Preston Riou.
Miss Elder, who has been visiting Mrs. D. V. Walker, returned on Thursday to her home in Orangeburg.
Mrs. B. V. Bray has returned to her home in Fairfield after a delightful visit to her sister, Mrs. J. A. Myers at Fort Marion.

Miss Margaret I. Gladden, one of Winnsboro's most charming and highly accomplished young ladies, is visiting friends near Gahrieville, the guest of Misses Kitty and Ida Harshaw.—Yo kville Enquirer.

MR. MOORE THANKS HIS FRIENDS.

Mr. Editor: Please allow me space in your paper for a few remarks. The big fight as to who should be Auditor for Fairfield county has at last been decided by the State Executive Committee.

Although I have been defeated, in justice to myself and my friends I made a fair and honorable fight over the matter. Notwithstanding my defeat, I have very much to be proud of, having not only received in the first, but also in the second primary a very complimentary and highly flattering vote.

To those of my friends who manifested much interest in my behalf, and who at the ballot box gave such unmistakable evidence of that interest, and to my special friends who rendered me such valuable service in making the canvass of the county I extend my sincere thanks and appreciation of their kindness towards me.

In conclusion, let me say to the people of Fairfield County that at the campaign meetings and in canvassing the county I never have met with a more sociable and hospitable set of people. I was treated at your homes with the greatest kindness, and was made to feel that I was among friends. I hope to call on you again in 1900 on the same old mission.

George W. Moore.
Ridgeway, Oct. 25, 1895.

BUCK LICK ITEMS.

The high waters recently on the river and creek did considerable damage to the crops planted in the bottom lands.
The farmers are busy gathering their cotton, but the low prices give them no encouragement to plant heavy crops of it next year. One of our farmers has decided not to plant a hill of it.

Mr. N. A. Poy has been very unwell for some time, but we are glad to learn that he is now improving. Dr. Team, in going out from Ridgeway to see him last week, came near having a serious time of it in the creek between Messrs. B. F. Cassels and Peay's. The creek was up, and the doctor attempted to cross and in doing so lost his medicine case and had a very unpleasant time of it all round.

Mrs. R. V. Bray returned to her home some days ago from Hopkins where she has been for the past two weeks nursing a sick sister.

Mr. B. J. Bonware is at home now on a visit to his loved ones. He has been in Tampa, Florida, for several months, and from his appearance it seems to have agreed very much with him.

MITFORD BRIEFS.

Autumn, "The saddest of the year," has come again and brought with it plenty of work for the farmers to do. Almost every one is busy sowing grain, digging potatoes, gathering corn and cotton. It has been a very favorable fall for harvesting the crop and most of the cotton has been picked. The seasons have been very favorable for the last week or so for sowing grain, and I believe almost all the farmers will sow oats and wheat. Judging from expressions among the farmers would say that there will be more wheat sown than since the civil war.

The chain gang has been in our vicinity for some time. The work done by it is just splendid. Everything is carried on smoothly and systematically. People in the neighborhood like Mr. Hood and the guards, Mr. Morgan and Mr. Hernandez, very much. Don't believe there's a man in the county who is more suitable for overseer than Mr. Hood. He's quiet and painstaking, but firm and decided. He seems to know the meaning of the word "duty." Mr. Tennant and his co-laborers are to be congratulated upon their selecting a man so competent.

BLYTHEWOOD NEWS.

The weather has been engaged in raining for the last few days, and the wind endeavoring to fill our eyes with sand, and now Jack Frost appears. Nevertheless our town is on a boom. The police not being near, there was quite a little fracas on Main Street a few evenings ago by two negro men, one striking the other a heavy blow, inflicting a gash across his head, which was soon patched by Dr. Langford.

Dr. S. W. Bookhardt went to Columbia last Thursday for the purpose of purchasing a new carpet for the Baptist Church.

Mr. Clark Langford spent last Wednesday in Columbia.

Messrs. J. B. Hoffman, C. A. Chickales, E. B. Price, C. H. Wilton and John Estuizinger, of the 1st S. C. Regiment returned to Columbia the 26th.

Miss Mattie Entzinger, of Camden, has been visiting relatives near here. Mr. and Mrs. M. O. Ward went to Columbia last Monday.

Miss Lily Hoffman is visiting relatives in Winnsboro.

There was an entertainment given by the ladies of Sandy Level for the benefit of the church which was quite a success.

Died, October 17th at her home near here, Mrs. Emaline Rains, aged 87, 98.

Discovered by a Woman.

Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night; and with two bottles, she was completely cured. This was Mrs. C. Hammick & Co. of Shelby, N. C. Trial bottles free at McMaster Co.'s drug store. Regular size 50c. and \$1.00. Every bottle guaranteed.

RIDGEWAY LOCALS.

On Thursday night last Mr. R. T. Blair met with a very serious loss in the burning of his stables and barn near town. Mr. Blair had just finished harvesting his corn and hay crop which was very large, and this with all of his farming implements were a total loss. Four or five hogs in a pen near by were also burned to death. The mules in some way escaped. Mr. Blair had 20,000 pounds of pea vine hay and about 400 bushels of corn and had just finished hailing the day before. \$800 is a low estimate of his loss.

Mr. H. W. DesPortes returned from Charleston on Saturday. He reports a very large crowd in attendance during gala week.

Mrs. J. N. Lemster is visiting in Columbia.

Miss Bessie McMaster spent Saturday and Sunday at home.

Mr. Geo. B. McMaster, of Winnsboro, was in town for a short while Sunday evening.

Mr. J. A. Grigsby, who for some time has been assistant postmaster at this place, has moved back to his farm near Bear Brook.

The sportsmen are anxiously awaiting the first of November. Birds are plentiful this year and the boys expect to bag lots of game.

The Presbyterian was the only congregation who had service on Sunday. Mr. Herndon preached a forcible sermon which was very much enjoyed.

Mr. Chas. K. Rabb, who has been unwell for several days, is out again.

Mrs. J. A. DesPortes, who is visiting her daughter Mrs. J. B. Boyd, has been indisposed for several days.

Mr. A. F. Ruff, of Rock Hill, spent several days in town last week.

From New Zealand.

REFTON, New Zealand, Nov. 25, 1895.
I am very pleased to state that since I took the agency of Chamberlain's medicine the sale has been very large, more especially of the Cough Remedy. In two years I have sold more of this particular remedy than of all other makes for the previous five years. As to its efficacy, I have been informed by scores of persons of the good results they have received from it, and know its value from the use of it in my own household. It is so pleasant to take that we have to place the bottle beyond the reach of the children.

E. J. SCANTLEBURY.
For sale by McMaster Co., druggists.

Pawnee Bill's Historical Wild West. This truly superior organization exhibited here Saturday last, and when we say the performances of novelty and thorough enjoyment were equal to anything of the kind ever seen here, we but voice the universal sentiment of those who attended. The proprietor, Major Gordon W. Lillie (Pawnee Bill), is a gentleman in every respect, and well worthy of the patronage of the public at large.—Baltimore, Md., Sun.

Look! A Stitch in Time

Saves nine. Hughes' Tonic (new improved, taste pleasant), taken in early spring and fall prevents Chills, Dengue and Malarial Fevers. Acts on the liver, tones up the system. Better than Quinine. Guaranteed, try it. At Druggists. 50c. and \$1.00 bottles.

In a few days Mr. Q. D. Willford and family will move into their new home in the northern part of town; Mr. Preston Riou and family will move into the McMaster house when the Willfords move out, and Rev. J. D. Croun and family will occupy the house that was bought sometime ago by the Methodists for a parsonage. Mr. and Mrs. W. K. McCarley will rent the old Methodist parsonage.

Every Month

There are thousands of women who are daily suffering death from irregular menses. Sometimes the "period" comes too often—sometimes too late—sometimes the flow is too scant, and again it is too profuse. Each symptom shows that Nature needs help, and that there is trouble in the organs concerned. In any of the above conditions, don't take any and every nostrum advertised to cure female troubles.

BRADFIELD'S FEMALE REGULATOR

is the one safe and sure medicine for irregular or painful menstruation. It cures all the ailments that are caused by irregularity, such as leucorrhoea, falling of the womb, nervousness, pain in the head, back, breasts, shoulders, sides, hips and limbs. By regulating the menses so that they occur every twenty-eight days, all these ailments disappear together. First, before your little comfort get a bottle and see how much good it will do you. Druggists sell it at \$1.

Send for our free booklet "Health for Women."
THE BRADFIELD REGULATOR CO.
471-473 N. 3d St., Phila., Pa.

OPUM

and Whiskey Habits cured. Out-pain. Book of particulars sent FREE. B. M. BROWN, Druggist, 104 N. 3rd St., Atlanta, Ga. Office 104 N. 3rd St.

BLACKSPOCK LOCALS.

We have been having some fine weather for gathering cotton, hauling in corn and mowing hay, all of which the farmers have given good attention; but a great many are very near discouraged by the price of cotton and talk of stopping planting it, but next year it will be the same old thing over again. Corn is turning out fairly well; some are making enough to support their farms and some are not; but the average is far short. The pea vine hay excels everything on the farm, and I think if all the farmers have done their duty this fall there will be no need for them to have any inferior hay for the market.

Death has visited our community since our last from this place. Mrs. Rachel Bell died at the home of the Misses Bigham, in Chester, S. C., where she had gone, thinking that it might be of some benefit to her health.

Mrs. Bell was a quiet, devoted Christian, and leaves five boys, all of whom are grown, and a host of relatives and friends to lament her loss.

The Blacksrock High School, under the management of Mr. Star Mason and Miss Janie Thompson, is in good condition.

The Shady Grove school opened two weeks ago with Miss Mattie Mills as teacher.

Our merchants are buying a great deal of cotton this year.

Mr. J. E. Craig has taken the "grip" and gone to traveling for a crockery and glassware company.

The soldiers are at home now and they can beat any old Confederate veteran I ever heard spinning yarns.

Mr. Arthur Craig has opened a school at Woodward. We know Mr. Arthur will make a success as he is a hustling young man.

Our doctors have been real busy for the past few days.

Mr. W. J. Lathan has been very sick with tonsillitis.
Oct. 25, '95. Early Bird.

Deafness Cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

F. J. CHENEY & CO., Toledo, O.
Sold by Druggists, 75c.

Skin Diseases.

For the speedy and permanent cure of tetter, salt rheum and eczema Chamberlain's Eye and Skin Ointment is without an equal. It relieves the itching and smarting almost instantly and its continued use effects a permanent cure. It also cures itch, barber's itch, scald head, sore nipples, itching piles, chapped hands, chronic sore eyes and granulated lids.

Dr. Cad's Condition Powders for horses are the best tonic, blood purifier and vermifuge. Price, 25 cents. Sold by McMaster Co., Druggists.

SHERIFF'S SALE

BY VIRTUE OF EXECUTIONS to me directed, I have levied upon and will sell before the Court House in Winnsboro, S. C., to the highest cash bidder, on the FIRST MONDAY IN NOVEMBER, the following described tract of land, containing One Hundred and Thirty (130) Acres, and bounded north by land of W. M. Bond; east by lands of J. E. Flanagan; south by T. W. Sligh; west by E. H. Hains and Emma Stewart.

Also One Hundred and Thirty (130) Acres, bounded north by lands of Lewis Sharpe and east of E. A. Kennedy; east by lands of Adolphus Kelly and estate of E. A. Kennedy; south by estate of Thos. S. Sledge, deceased, and estate of E. A. Kennedy; west by P. H. Flanagan.

Levied upon as the property of P. H. and J. E. Flanagan, at the suit of A. F. Ruff and A. F. Ruff & Co. R. E. ELLISON, S. F. C. Winnsboro, S. C., Oct. 14, 1895. 10-151d

GERSTLE'S Female Panacea
Cures All Diseases of Women.
MANY women are under the impression that the diseases peculiar to their sex are natural and incurable because so many suffer constantly from them. This is a mistake. Few women are so badly diseased that they cannot be cured. It is true that had they taken a remedy that was efficient when the first symptoms of disease appeared, a more rapid cure would have been the result. No woman should neglect herself, or ignore the many ways in which the disease can be cured. Gerstle's Female Panacea is a powerful, pure, and safe remedy for all the diseases of women, whether they be of the womb, ovaries, or any other female trouble, she should at once resort to the use of.

Which is absolutely the best female remedy ever offered here. Even if she has been neglected and allowed disease to fasten itself upon her she should not despair of being cured. This medicine is a powerful, pure, and safe remedy for all the diseases of women, whether they be of the womb, ovaries, or any other female trouble, she should at once resort to the use of.

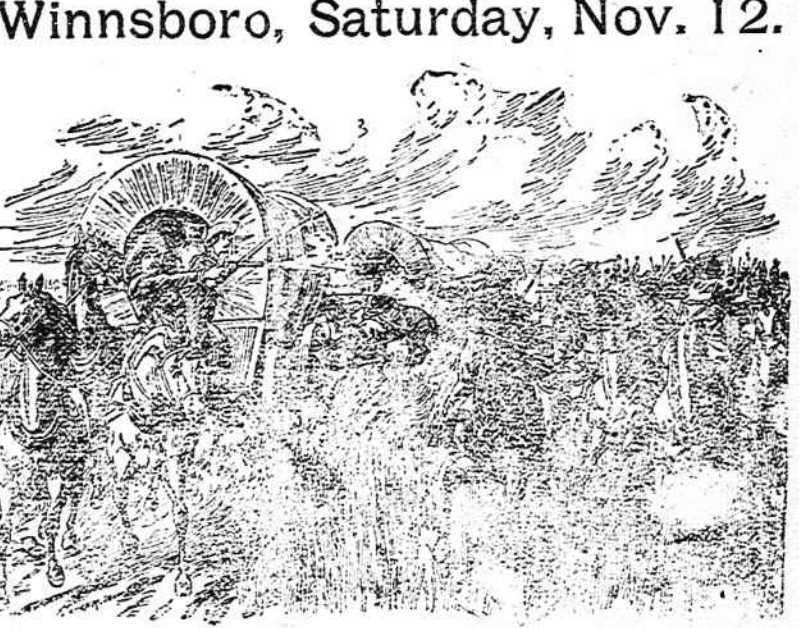

Gerstle's Female Panacea
L. GERSTLE & CO., Chattanooga, Tenn.

WAIT! WAIT!
